

Preschool Enrichment

Creative Rhythmic Body for Playgroup

Ages: 18 months to 2.5 years
old

Duration: 44 weeks

Creative Rhythmic Body for N1 to K2

Ages: 3 – 6 years old

Duration: 44 weeks

Hippity Hop for N1 to K2

Ages: 3 – 6 years old

Duration: 44 weeks

At the end of each programme, children will present a mini showcase for their parents and teachers, celebrating their achievements and the skills they've developed. Parents will also receive a digital video copy of the showcase as a lasting keepsake.

Creative Tree

Creative Tree is dedicated to exceptional arts enrichment in dance and theatre for preschools across Singapore. With over 24 years of experience, we offer tailored programmes that align with today's educational needs. In close collaboration with the National Arts Council (NAC) and early childhood educators, we deliver relevant and impactful offerings. Our holistic approach nurtures creativity while building confidence and character, fostering a lifelong love for the performing arts and empowering children with essential skills for their future.

Creative Rhythmic Body Playgroup

An innovative programme designed to ignite creativity, motor skills, and rhythmic understanding in young children through dance and movement. Children will explore new themes like nature, space, and cultural dances, using storytelling, props (scarves, rhythm sticks, shakers), and music to fuel their imagination and joy of movement.

Key Benefits:

- Motor Skills and Coordination
- Creativity and Imagination
- Rhythm and Musicality
- Sensory Exploration
- Social Growth and Emotional Expression
- Diversity and Cultural Awareness

Creative Rhythmic Body N1 to K2

An immersive programme focused on rhythm and creative movement, designed to foster holistic development. Each week, children will engage in interactive dance activities and games that nurture creativity, musicality and rhythm, while fostering a love for music and movement.

Key Benefits:

- Motor Skills, Coordination, Balance, and Flexibility
- Creativity and Expression
- Rhythm and Musicality
- Confidence Building
- Social skills and Cooperation
- Thematic Exploration and Cognitive Understanding
- Diversity and Cultural Awareness

Hippity Hop N1 to K2

A fun and engaging programme introducing children to foundational hip-hop dance and music. Through age-appropriate moves, repetition, and games, children will progress from basic to intermediate hip-hop skills while building confidence, focus, and creativity.

Key Benefits:

- Foundational Hip-Hop skills
- Motor Skills, Coordination, Balance, and Flexibility
- Individuality and Confidence Building
- Rhythm and Musicality
- Memory and Focus
- Creativity and Improvisation
- Social Skills and Teamwork

Creative Rhythmic Body for Playgroup

Creative Rhythmic Body

N1-K2

A collage of four children in various playful poses on a white background with colorful confetti. A cartoon hippo wearing a yellow shirt and playing a green drum is positioned on the left. A large, diagonal orange brushstroke banner is centered across the image.
